Learning & Development

HELLO THERE
I'M CESSA

I'm Cessa Ratri Fatika, an **Educational Technology student at UNJ** with a strong interest in integrating technology into the learning process. I focus on analyzing how learning works and designing technology-based media solutions to improve learning effectiveness. I also have a passion for visual communication design and have experience creating various media such as podcasts, posters, infographics, multimedia content, films, and photography projects. I'm always excited to collaborate, learn new things, and grow in the field of technology-enhanced learning and creative media development.

MY SKILL

MEDIA DEVELOPMENT SKILLS

Proficient in creating interactive multimedia learning materials and well-structured instructional modules using Articulate Storyline.

EDITING SKILLS

Skilled in video editing using CapCut, capable of producing graphic design content using Canva &

TRAINING DEVELOPMENT SKILLS

Skilled in preparing training proposals and managing end-to-end training programs.

PERSONAL SKILLS

Communication, Creativity, Teamwork, Time Management

PROJECT 1

TRAINING PROJECT – STORYBOARD DEVELOPMENT

(EDUCATIONAL TRAINING COURSE PRACTICE)

Participated in a training project focused on developing a complete learning storyboard. Responsibilities included formulating basic competencies, defining study content, designing learning strategies, preparing a training proposal, and contributing as part of the publication design team for the training program.

PROJECT 2

PHOTOGRAPHY EXHIBITION PROJECT (PHOTOGRAPHY COURSE PRACTICE)

Contributed to a photography exhibition project by assisting the event team in presenting the event concept and flow to visitors.

Also involved in designing exhibition components such as photo layout arrangements, conceptualizing the exhibition narrative, and engaging visitors through interactive elements including giveaways and a photobooth.

PROJECT 3

PODCAST DEVELOPMENT PROJECT

Supported the end-to-end production of an educational podcast, including camera setup, microphone and audio checking, layout and lighting arrangement, video editing, and final publication to the department’s official YouTube channel.

PROJECT 4

SHORT FILM PRODUCTION PROJECT

Involved in a short film production project, covering the complete pre-production, production, and post-production process.

Responsibilities included developing the script, conducting script breakdowns, performing on-site observations, managing reading sessions with talents, preparing the shooting rundown, organizing talent styling, executing the editing process, and compiling the final production report.

Ikhtisar

Dengan mempelajari bab ini akan memberikan pengetahuan mendalam tentang latar belakang kebudayaan masa prasejarah di Indonesia. Anda akan belajar mengidentifikasi karya seni rupa dari masa tersebut menggunakan beberapa indikator yang dapat diteliti dan dikaji lebih dalam. Melalui pemahaman ini, diharapkan anda tidak hanya mengetahui tetapi juga memiliki kemampuan untuk melestarikan karya seni rupa yang ada di daerah anda.

Untuk melihat indikatornya kembali, klik elemen disamping ya!

Uraian Isi

A. Ruang Lingkup Seni Rupa

Seni rupa adalah cabang seni yang
dengan media yang bisa ditangkap oleh
dengan rabaan. Kesan ini diciptakan dang
garis, bidang, bentuk, volume, warna, teksto
dengan acuan estetika.
